VERANDA VIEWS

The City Club, Downtown Baton Rouge's Only Private Dining Club

FROM THE GENERAL MANAGER

2019... A BRIGHT FUTURE AHEAD

This past year has seen a very active Board of Governors, and I would like to thank all of them for the work they have done.

PIERRE LEGRAND
GENERAL MANAGER/COO

As I sit writing this in the middle of the Christmas season, members drop by from time to time to ask if we are busy. This month we have 88 parties scheduled in addition to our extremely popular free breakfast, lunch and dinner. In those 88 parties we have 2 wedding receptions, a rehearsal dinner, New Year's dinner, many company Christmas receptions, company dinners, cocktail parties and just general revelry. It is a very Merry Christmas around the Club, and yes, we are keeping busy!

This past year has seen a lot of big changes in the Club. Not least, we have a net gain of 67 new members in the past year. I am hesitant to quote that number because I am surely underestimating what the final result will be by December 31st. Our new lobby and the fantastic new carpet on the second floor has everyone really excited to host their events at the City Club. For instance, the most weddings we have hosted in the past 12 years was 17. In 2019 we will be hosting at least 24 weddings, an increase of over 40% over our previous record, with the possibility of even more since it is still early. **A word to the wise - if you want to host an event in December of 2019, call soon!**

This past year has seen a very active Board of Governors, and I would like to thank all of them for the work they have done. BEBE Facundus and her committee helped so much with the 60+1 Club Party! I think we all agree it was even better than the 60th. Buddy Ragland and David Faulk tackled some difficult challenges with the building in regards to water intrusion. Thank you, Gary Littlefield and Jim Nickle, for your work on Membership and Gary for your ideas on events. Tiger War Room was a hit. Thank you, Bert Faulk, for your willingness to discuss new ways of approaching problems - all of your exciting ideas for the Club's future have me very optimistic. Bert, your idea for free Breakfast is still rocking the house and the Club has been transformed in the morning.

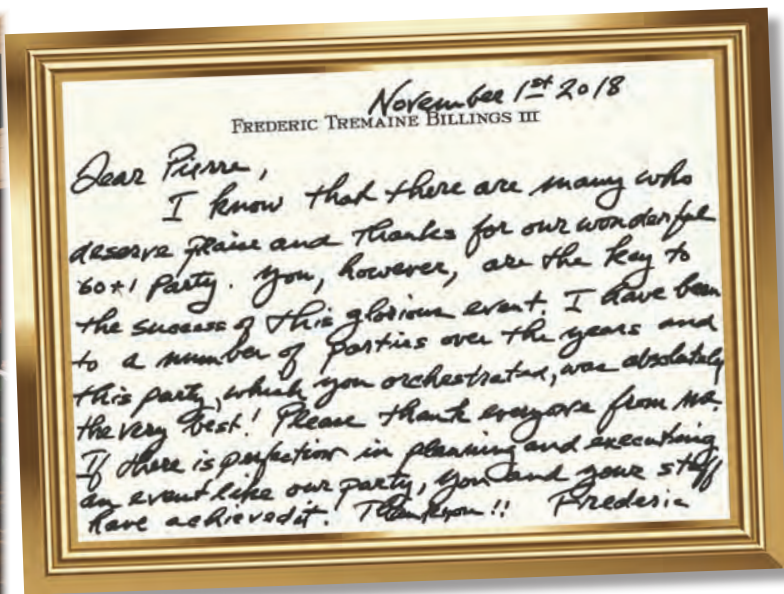

The President for this past year, Steve Boutwell, was everywhere. In a year when there were big changes happening at Kean Miller, he was always willing to meet, always willing to discuss, and always had a vision for getting through whatever issues we faced. It was a pleasure working with Steve. Thank you, Steve!

BERT FAULK
CITY CLUB PRESIDENT

OUR 2018 ACCOMPLISHMENTS AND WHERE WE ARE HEADED

This time of year, is when we typically evaluate events of the year concluded and think of our aspirations for the forthcoming year. In short, 2018 has been a great year for your Club and we look forward to a very successful 2019. – Highlights are as follow:

- Private events continue to grow! Your selection of the Club as a favorite venue to host your events reflects the unique service that is provided by the staff. The remodeling of the Club’s entrance has also contributed favorably to attract such events.
- Individual dining continues to grow! The reception of the breakfast offering has been through the roof, and evening dining has grown, particularly with the Saturday night lobster offering.
- Membership has the full support of Club members! The most encouraging aspect of our membership program has been the range of current members sponsoring new members.
- Interest by junior members is at an all-time high! It is critical that the Club be recognized by this group of future leaders and the Club’s efforts are proving to be beneficial.

The continued success of your Club is a tribute to our excellent staff, and the efforts of the members for the unique community setting that the City Club provides. In closing, your continued support through the activities described above will ensure your Club’s continued success as a vital community asset.
